The Honorable Kay Granger
Ranking Member
Committee on Appropriations

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Seminole County Washington Street Outfall Stormwater Project in Fiscal Year 2023. The entity to receive funding for this project is Seminole County located at 1101 East 1st Street, Sanford, FL 32771.

Seminole County would use this funding to address decades-long stormwater management issues in the historically underserved Midway community in Sanford, Florida. Funding will be used to upgrade culverts, improve an outfall ditch, and construct a stormwater pond. In neighborhoods at risk of flooding, failing to capture stormwater can cause extensive damage and threaten the health and safety of residents.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
